# Redefining Wellness Every Day

Looking to **STAY HEALTHY** each day, get a restful night's **SLEEP**, or **SIP BEAUTY**? Kia Teas is a collection of everyday wellness teas that fuel your body with good-for-you ingredients and help provide solutions for all of your wellness needs. Each tea contains a unique blend of beneficial herbs that taste uncommonly delicious. Herbal teas are made from aromatic botanicals whose flavors blend beautifully with fruits and spices. There are no tea leaves or camellia sinensis in an herbal tea which is why these blends are caffeine free, so you can enjoy a cup any time of day or night. We offer a variety of delicious flavors, from our #1 Lemon Ginger to our delicately Chamomile, and refreshing Mint.

## Same Great Flavors with Less Caffeine

Looking for the same great teas you know and love but without the extra caffeine? While decaffeination will reduce the amount of caffeine, it will not truly be caffeine free. Decaf Teas, with only 1-8 mg of caffeine per serving, are a great way to enjoy all the same, full-bodied flavor recipes.
